

Labour History Review Index

2000-2009

Dr Mike Mecham

St Mary's University, London

Introduction

This is part of a comprehensive index for the journal *Labour History Review (LHR)* since its first issue in April 1990. That is issue 55:1 because all previous issues were of the *Bulletin of the Society for the Study of Labour history*. The Society was formed in 1960 and the *Bulletin* was introduced shortly after and was 'an instant success' – see John McIlroy, 'The Society for the Study of Labour History, 1956-1985: Its Origins and Its Heyday' (*LHR* 2010 Supplement 1, 19-112). A short index of issues 1-50 of the *Bulletin* can be found in issue 51:2, 3-4. The editorial in the first issue of *LHR* provides a helpful account of its genesis.
